Mark your calendars! There will be a blood drive at the Clara City Community Center on Wednesday, June 17 from 12:30-6:30pm. Please call 1-800-RED-CROSS or visit RedCrossBlood.org and enter: Clara City to schedule an appointment. Every 2 seconds someone in the U.S. needs blood.

As summer unfolds, we embrace the warmth of summer, vacations, and cherished moments with loved ones. However, hospital patients continue to depend on a consistent blood supply every day. By donating blood this July, you can help ensure lifesaving care is always available. Your donation could be the reason someone gets to enjoy another summer. Make a difference before the season gets too busy — schedule your appointment today.
